

**NOTICE OF RACE
MINI 12 FLEET RACING
RVYC SPRING ONE-DESIGN REGATTA
SATURDAY, MAY 8, 2010**

Preamble

It was decided at a luncheon meeting that we would wind up our spring race season by participating in the club's Spring One-Design Regatta. This will be an opportunity to have some fun with the big boys and girls who will be racing outside the bay in Stars, J24s etc. We will run our own race program in the bay and join with the other fleets for the skippers meeting and afternoon drinks following racing. We will have races morning and afternoon with a break for lunch at the club house (or on the lawn). We want to maximize participation so scoring will be by boat (get your partners out to share in the racing). We are expecting great spring weather and are setting up to accommodate fans to view the racing from cruising boats. There is no entry fee. Prizes will be modest but memorable.

Registration: With the Race Committee prior to your first race.

Please give us a heads up phoning/emailing me (Geoff Buck) your intentions; yes or maybe (also naming the boat you will sail in and sailing partners would be useful).
